

Artifcts Inspiration Series

“Natural” Attractions

Take your pick: favorite nature pictures, rocks and minerals, or preserved and fresh flora and fauna you enjoy. Whether you’ve picked them up on hikes or added them to your bag on travel adventures, natural mementos are a win-win: Memories meet decoration. Artifct them before you forget where they came from.

- Preserved flowers + photos when they were fresh
- It’s a rock, with a story
- Favorite recipe featuring your garden splendor
