

Artifcts Inspiration Series

Tech Detox*

It's not just odd cords, adapters, and chargers we accumulate but devices, too. And oh the nostalgia a piece of tech can hold. Dig into those drawers, bins, and closets. We bet you have a few worth Artifcting.

- First/last 35mm film camera
- Boombox + old photo with it
- Original iPod or Shuffle, Nano ...
- Walkman or discman
- Your Blackberry
- Metronome (Still practice?) + 🎧 recording of you playing
- Jukebox or similar
- Calculator
- mp3 player – you early adopter, you!
- Original flip phone
- Retired Fitbit or Garmin
- First/last standalone video recorder + 📺 video snippet
- Deep sea watch (Did you ever test it?)
- Alarm clock
- Old record player
- Typewriter

*Psst! Check out recycling options from Artifcts →
